Re: Grant No. 3565

Dear Dr. Wolffe,

The Scientific Director and CTR's staff have considered your request for partial support of the conference named above. The program contains topics of interest to The Council, and the list of speakers ensures that the quality of the meeting will be high. I therefore am pleased to tell you that we will make a contribution of \$1,000 to help defray the costs of the conference. A check made payable to FASEB Summer Research Conferences for that amount will be forwarded to Ms. Jackie Sprangler at FASEB.

It would assist in our record-keeping if we could have a short written acknowledgement of the contribution. We request only that these funds not be used to reimburse expenses incurred by participants from the industrial sector.

Sincerely yours,

George A. Hashim
